Superior quality Fried Fish

SANDOSTINE

YOUR BEST CHOICE

Are you looking for the very best and finest quality of fish? A place where they using their own specialise and experience? Fully traceable, using the highest technology, processing and working in a hygienic and efficient manner, under strict legislation? If so, you have made the right choice, and you have come to the right address. All these aspects allow us to offer you the most delicious, palate range of breaded or battered pre-cooked fish products.

We also can offer you the naturel fish in fresh or in frozen.

SOME OF THE BENEFITS WORKING WITH US

Wild range of products and possibilities! Possibility to produce clients recipe or idea!

Everything “in-house from round fish until pre-cooked”.

Co-packing branded or private label (volume articles). Kosher or Halal production possible!

Production Certified: BTC-A, IFS, MSC and ASC! State of art and state of sustainable production (incl. green power and water purification). To provide and give you more possibility's and flexibility.

Always an honest product and a fair price!

IT'S GOOD TO KNOW ABOUT THE POSSIBILITIES

Battering, breading, fish content, size and weight; besides the standards we offer, it is possible to change the batter or breading content.

Also the fish content in a product can be changed on behalf of the client's needs. Every product can be made in different sizes and weight. We also can offer you the naturel fish in fresh or in frozen.

Possibility to produce clients recipe or idea! Above points are only counting for bigger quantities, do you like to know more? Please, do not hesitate to contact us back should you have any comments/questions, your more than welcome.
