SANDOSTINE

## ABOUT US

GFS was established in 1991, and is today, one of Thailand's largest chicken producers. Our 'state of the art' further processing facilities and technical expertise means that we are a trusted supplier to many of the world's leading restaurant chains, supermarkets and food service providers.

We are a fully integrated chicken processor, which means that we control the whole process from the hatching of chicks, supply of feed, through to packing, and despatch to customer.

Full traceability of each product means that we can trace individual packs right back to the farm that the chickens were reared on. This is our 'farm to fork' commitment, which differentiates us from many of our competitors.

## OUR QUALITY RANGE

We offer a whole range of quality delicious, fully cooked chicken products, all made with 100% Chicken Breast. Our range was created to ensure that our Customers have a one stop shop for all meal occasions, including starters, appetisers, ingredients, snack and restaurant quality food.

## OUR TEAM

Our experienced team is committed to working closely with our Customers to deliver the best quality products consistently. Do not hesitate to contact us back should you have any comments/questions. *You're more than welcome!*

## CERTIFICATION

GFS conforms to the highest standards of quality and hygiene. BRC (British Retail Consortium) certificate. The BRC certificate are a leading global safety and quality certification program, used throughout the world. The BRC Global Standards are widely used by suppliers and global retailers. They facilitate standardization of quality, safety, operational criteria and manufactures, fulfilment of legal obligations. They also help provide protection to the consumer.
