

Our Group has the highest standards of quality which begin with exclusive genetic selection in the company's own breeding farms, where parent stock from the world's finest breeders are maintained

All three companies have achieved world-class animal welfare. And international quality standards. These include among others: IFS, BRC, HACCP and Halal (only from Holland)

Our Group is a global group of companies that specializes in Peking duck meat products. It has operations in Thailand, the Netherlands, the UK and worldwide sales. We are a leading supplier of premium quality duck meat products and

In Holland and in the UK all products are produced raw. The main sales comes from whole ducks but also all by products like feet, gizzards & tongues. From Thailand we can offer you a wide range of cooked Duck products. See our wide range Cooked and Roasted Duck products below the button "Cooked and Roasted Products".
